### **SWRI CONSTITUTION**

Please find enclosed a copy of the SWRI Constitution, with the changes adopted at Central Council in May 2017. As the latest changes do not affect the aims of the organisation, we do not need to seek permission of OSCR.

The previous constitution should be discarded as it no longer applies. The enclosed new copy should be filed and passed on to each subsequent secretary so that it can be referred to when the occasion arises.

If you have any questions, please contact me.
