Policy Statement

Reduction in Sugar Content

The Scottish Women's Institutes supports the reduction of sugar used in confectionery and drinks in order to safeguard individual health and assist in reducing the levels of diabetes in our society.

Background

The Scottish Women's Institutes is the largest women only membership organisation representing some 16,000 members across the country. It was established as the Scottish Women's Rural Institutes in Longniddry, Scotland in 1917.

Linda Retson

National Chairman
